

MICHAEL R. PENCE, Governor
STATE OF INDIANA

INDIANA DEPARTMENT OF HOMELAND SECURITY
302 West Washington Street
Indianapolis, IN 46204

March 16, 2015

National Registry of Emergency Medical Technicians
PO Box 29233
Columbus, OH

Dear Sirs:

After careful examination of the Indiana Paramedic course curriculum, it has been determined that all paramedics that have successfully completed training that complies with the curricula approved by the Indiana Emergency Medical Services Commission have received education that meets the new Paramedic National Standard Curriculum. Such paramedics do not require additional training to meet the NREMT certification requirements.

Sincerely,

A handwritten signature in black ink that reads "Michael S. Garvey".

Michael S. Garvey
EMS State Director
